U.S. Bureau of labor statistics.

The "Bureau of labor" was established in the Dept. of the interior under act approved June 27, 1884. It was constituted the "Department of labor" under act of June 13, 1888. It was made the "Bureau of labor" in the Dept. of commerce and labor under act of Feb. 14, 1903; and the "Bureau of labor statistics" in the Dept. of labor under act of March 4, 1913.

The title of the chief officer of the "Bureau," 1884-1888, 1903-1913; and of the "Department," 1888-1903, was "Commissioner of labor." Beginning with March 4, 1913, the title has been "Commissioner of labor statistics." The numbering of serial publications has been continuous. Therefore publications prior to March 4, 1913, are entered under the heading "U.S. Bureau of labor," and publications since that date under the heading "U.S. Bureau of labor statistics."
